Office of General Counsel

Contract

1. Enclosed herewith is contract prepared in accordance with your request. Also attached is a Secrecy Agreement which should be completed by the individual concerned. This contract may be considered available for use in other cases of similar nature with the exception of the amount to be paid, the number of reports and paragraph 6. Normal contract would provide in paragraph 6 as follows:

"***provided, however, the Government, in its discretion, may permit use by you of the content of the material submitted under this contract."

The wording of paragraph 6 of the present contract is based on the particular needs of the situation.

2. The date of signing by the individual should be inserted in paragraph 1. The individual should sign on the second page at the place indicated. No copy of the contract should be furnished the individual. The Authorized Contracting Officer, [REDACTED], should sign the contract after signature by the individual.

3. Spaces are left indicating a number for the contract and for the Secrecy Agreement. Any numbering system which suits your purposes should be followed; this office maintains no file on contracts of this nature and is not concerned with numbering. We have retained a sample of this contract with the individual's name deleted.

4. If, in any of your future cases, there are circumstances which you feel indicate changed wording of this type of contract, we shall be pleased to assist in the drafting of such change.
